

Direct Wholesale Roaming Access Services

1. Scope of the Direct Wholesale Roaming Services

- 1.1 The scope for the Direct Wholesale Roaming Services provided according to this Agreement is based on GSMA's Wholesale Roaming Access Agreement, Version 1.0, of 17 December 2012 (Official Document AA.100)
- 1.2 In respect of and subject to the Parties licenses and rights to establish and operate Public Mobile Networks, the Parties to the Agreement agree, subject to this section 1 above , to establish international roaming in accordance with:
- relevant Technical Specifications;
 - all binding GSM Association Permanent Reference Documents; and
 - those non-binding GSM Association Permanent Reference Documents which are agreed by the Parties and specifically set out in the Agreement;
- This includes in each case all the commercial aspects, as defined in the Agreement, including the Annexes hereto.
- 1.3 Additional requirements and exceptions to the Technical Specifications and GSM Association Permanent Reference Documents, as agreed between the Parties, are detailed in the Agreement and/or Annexes to the Agreement.
- 1.4 The Parties agree to be bound by GSMA Permanent Reference documents relevant to International Roaming for example but not limited to:
1. GSMA PRDs related to Quality of Service;
 2. GSMA PRDs related to Fraud Detection; and
 3. GSMA PRDs relating to Billing between the Parties including Invoicing and Settlement.
- 1.5 Tele2 may upon request from the Access Seeker send the Access Seeker a PDF version of their AA.14 and IR.21 documentation.
- 1.6 The implementation of Wholesale Roaming Access Services shall be in accordance with the Technical Specifications with the exception of Public Mobile Network specific deviations and/or chosen options agreed by both Parties during the testing phase as outlined in Annex 6. .

2. General obligations under Direct Wholesale Roaming Services

- 2.1 The Direct Wholes Roaming Services provided by Tele2 shall only be made available to individual Access Seeker Roaming Customers having valid legal relationships with Access Seeker.
- 2.2 Services provided are based on the precondition that Access Seeker Roaming Customers are expected to have a usage pattern that does not differ substantially from forecasts provided from the Access Seeker according to Annex 8.
- 2.3 The availability of the Wholesale Roaming Services may depend on the availability of appropriate functionality.
